

Investigate!

Make 100!

A

12	42
23	35
27	56

B

53	41
29	43
31	39

C

59	19
36	22
20	13

Create a calculation by choosing one number from each box and adding them together.

Can you find three numbers which add together to make 100?

How many different ways can you do it?
